

About BuildingEnergy Pro Tours

BuildingEnergy Pro Tours are half-day tours of high performance buildings all over the Northeast. They are selected by a committee of NESEA members based on performance metrics, led by the project teams, and followed by a reception and/or workshop. Pro Tours provide an opportunity for sustainable building and energy professionals to witness cutting-edge projects firsthand, share knowledge, and learn from colleagues.

More than 700 industry professionals throughout the Northeast attend a BuildingEnergy Pro Tour every year. In addition, Pro Tour Series sponsors gain exposure to tens of thousands of practitioners throughout the Northeast through NESEA's marketing efforts.

Contact Miriam Aylward, Program Director, at maylward@nesea.org or at (413) 774-6051 ext. 14 for more information.

"The Pro Tour sponsorship experience was smooth, seamless, convenient, and a great way to share our message and brand with a broader like-minded audience."

-Jim Giberson, Marketing Manager, Wright-Ryan Construction

Sponsoring the BuildingEnergy Pro Tour Series

Sponsors of the BuildingEnergy Pro Tour series receive benefits for 12+ Pro Tours throughout the year. Prorated series sponsorships and individual tour sponsorships are also available. All BuildingEnergy Pro Tour series sponsorships include the following benefits:
