

# BUILDINGENERGY NYC

## About BuildingEnergy NYC

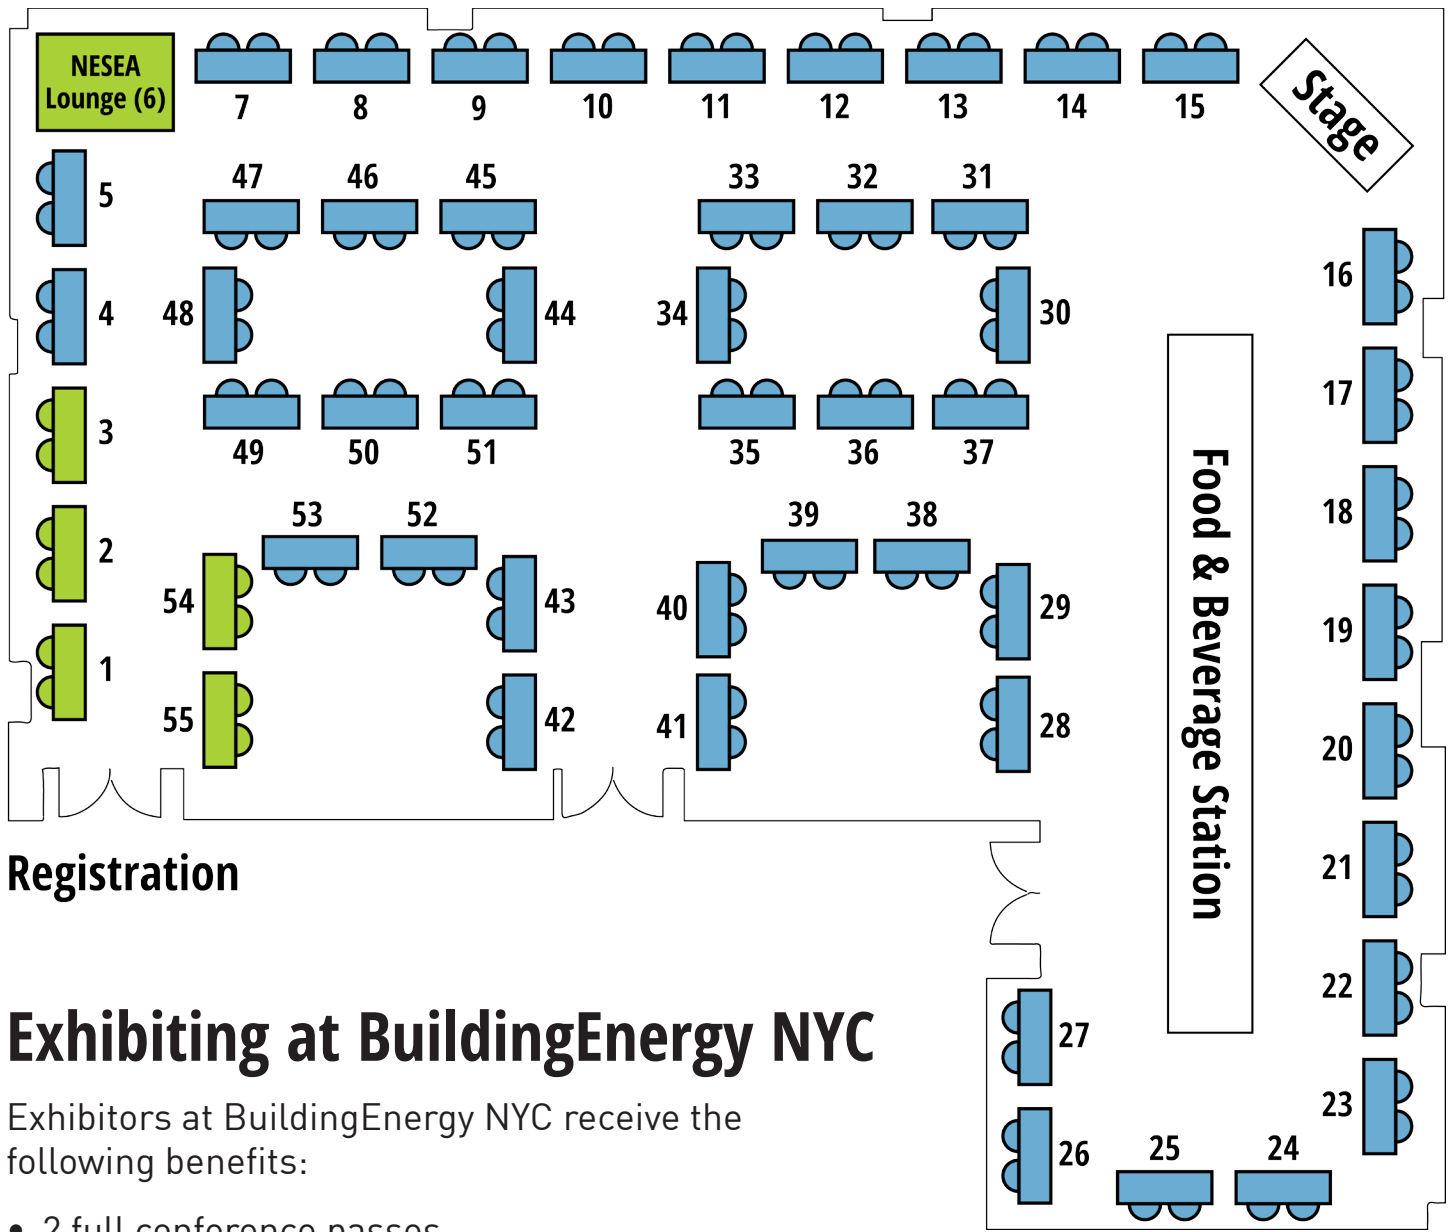

The BuildingEnergy NYC Conference + Trade Show is NYC's premier event for professionals and practitioners in the fields of high-performance building, energy efficiency, and renewable energy. It brings more than 600 industry leaders and emerging professionals together to learn from and network with one another.

Industry leaders like Steven Winter view this conference as the single best resource for networking and content sharing on energy efficiency in large commercial and multifamily buildings in New York City. It attracts all the key players from the building, sustainability, and resilience sectors for a full day of sessions on best practices and lessons learned.

This year's event will be held October 3–4, 2018 at the TKP New York Conference Center. Visit [nesea.org/benyc18](http://nesea.org/benyc18) for more information.

BuildingEnergy NYC is a program of:

## Registration

# Exhibiting at BuildingEnergy NYC

Exhibitors at BuildingEnergy NYC receive the following benefits:

- 2 full conference passes
- Exhibit table on trade show floor
- Name & link on event web page
- Listing in printed show program
- Social media recognition
- One-time use of post-event email list (of attendees who opt in)

The cost of a table is **\$2,300** for NESEA members and **\$2,450** for non-members.

Visit [nesea.org/benyc18-map](http://nesea.org/benyc18-map) for a map of available tables. For more information on exhibiting, you can also contact Devan Kessel Folts, Communications & Development Director, at (413) 774-6051 ext. 25 or [dfolts@nesea.org](mailto:dfolts@nesea.org).

For information on sponsoring BuildingEnergy NYC, please contact Jennifer Marrapese, Executive Director, at (413) 774-6051 ext. 23 or at [jmarrapese@nesea.org](mailto:jmarrapese@nesea.org).
