

BUILDINGENERGY NYC

GBCI AND BPI CEU CREDIT INFORMATION

In addition to the BPI and GBCI approved sessions listed below, all sessions offer credit toward AIA, BOC, NAHB, NARI, Phius, and RESNET certification (see conference website for details). You will also receive a detailed certificate of attendance via email after the conference, which you can use to self-report your hours to other professional organizations.

Sessions offering GBCI Credits

NESEA will report LEED credits on your behalf, but you must self-report WELL credits.
