

INSTRUCTIONS

1. If you have **natural gas** at the site, provide at least the last 13 months of gas consumption value.
2. Utility billing formats vary widely. Enter in the values below as appropriate; if none is appropriate data with an explanation.
3. If the site has more than one gas service, copy this tab for each service.
4. Electronic copies of gas bills (or similar utility records) are also required.

Gas Bill Units:

Gas Utility:

Meter Reading Date	Gas Consumed	Meter Reading	Total Cost for Billing Period
1/1/12	123		\$0.00
