Messages about your Central Maine Power delivery account

We're installing smart meters at homes and businesses in our service area. You'll receive a new smart meter over the next 9 months. Smart meters will provide detailed information on our Web site to help you manage your energy use in the near future.

Your Kilowatt usage may be greater than usual this month due to a longer billing period. You can check by comparing the kilowatt hours used per day this month to last month. The chart comparing your daily usage is on page 001 of this bill.

Smart meters: Please visit our Web site at www.cmpco.com to learn more about the benefits to you.

Customer Information for your delivery service

Delivery rates are as approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, call 1-800-565-3181, or visit www.cmpco.com on the Internet. Our TTY number for the deaf is: 1-800-445-5631.

CMP's delivery role under Maine law

The State of Maine changed the electricity-utility business as of March 1, 2000. The law now separates electric supply from its delivery. You may choose a competitive energy provider, or automatically take energy from the Standard Offer provider. CMP no longer generates electricity. We operate the system that delivers your electricity, and we service your account.

Questions?

To ask a question or dispute a bill, you can call 1-800-565-3181 or e-mail customer.service@cmpco.com, or write to CMP Customer Service, 83 Edison Drive, Augusta, ME 04336.

Planning a move?

Please let us know. You are responsible for any usage at your billing location until you tell us the account should be closed.

Payment arrangements

If you have trouble paying your bill, a payment plan may help. Call 1-800-565-3181 for more information.

Late-payment charge

Bills are due on receipt. A late charge of 0.892% will be applied each month to balances unpaid after 25 days from bill postmark.

To report an outage

Call 1-800-696-1000. If call volume is heavy, an automated system will log your call and generate a repair order.

Sales-tax exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (KWH) of residential usage.

What's a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (KWH) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 KWH of energy.

Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Call us at 1-800-565-3181 or visit www.cmpco.com for more information.

Mail Address Changes

Please "X" for mail address changes and fill in your new mailing address information below:

If you are moving or need to stop service...

Please call a Customer Representative at 1-800-750-4000

Paperless eBill Service

Yes, I'd like to receive an email with more information about CMP's paperless eBill service.

Email: _____ Date: _____

Receive your bill online instead of in the mail with eBill. Access up to 12 months' bills online and make secure payments. Plus you can print a copy if you need to, so your paper bill is only a click away!

Ready to sign up today?

1. Take this bill to a computer and go to www.cmpco.com/eBill
2. Enter your account information to sign up, and you're done!!!
