Important Information

The average DTE Electric residential customer is expected to save \$6.94 each month because of energy optimization programs over the remaining program life.

For the average Michigan residential customer, renewable energy is estimated to avoid \$3.90 per month of new coal-fired generation costs.

Extreme weather conditions can impact the amount energy you use to heat your home. Save money with these simple heating tips at dteenergy.com/winter.

Please return **all** payment coupons with your check or money order, payable to DTE Energy, five business days prior to the due date. Do not send cash or attach notes to the payment coupon.

Be sure to write your account number(s) on your check or money order.
