**Important Information**

For the average Michigan residential customer, renewable energy is estimated to avoid \$3.08 per month of new coal-fired generation costs.

DTE Electric has implemented service quality and reliability standards defined by the MPSC. These standards provide customers a \$25 credit upon request, if investigation of the request determines you have experienced any of the following: A power outage of more than 16 hours under normal conditions; an outage of more than 120 hours under catastrophic conditions; or eight or more outages during a 12-month period. A power outage consists of full or partial loss of service for longer than 5 minutes. If you believe you may be eligible for a bill credit call 800.477.4747 for an application.

Please return **all** payment coupons with your check or money order, payable to DTE Energy, five business days prior to the due date. Do not send cash or attach notes to the payment coupon.

Be sure to write your account number(s) on your check or money order.
