

BUILDINGENERGY BOSTON

ONLINE • WEDNESDAY–FRIDAY, AUGUST 12–14, 2020 • [NESEA.ORG/BE20](https://www.nesea.org/be20)

Conference + Trade Show of the Northeast Sustainable Energy Association (NESEA)

GBCI-APPROVED SESSIONS

THURSDAY, AUGUST 13

Session 1: 8am-9am

- [Air Source Heat Pumps: Design & Equipment Selection in 2020](#) - 1 BD+C, ID+C, O+M
- [We're Still Green at Being Green! Lessons Learned on the Path](#) - 1 BD+C, ID+C, WELL

Session 2: 9:15am-10:45am

- [Fossil-Fuel-Free at Last: Air-to-Water Heat Pump & Ventilation Retrofit](#) - 1.5 BD+C, ID+C

Session 3: 11am-12pm

- [Exhaust Fans for Building Ventilation: Improve IAQ & Reduce Moisture Problems](#) - 1 BD+C, ID+C, O+M, WELL
- [Extreme Makeover: The Plainfield NH Elementary School](#) - 1 BD+C, ID+C, O+M, WELL

Session 4: 1pm-2:30pm

- [Monitoring Energy Performance & IAQ: Multifamily Energy Star vs. PHIUS+](#) - 1.5 BD+C, ID+C, O+M, WELL
- [Scalable Solutions to Triple Decker Retrofits](#) - 1.5 BD+C, ID+C

Session 5: 3pm-4pm

- [Passive House Ventilation: Humidity Considerations in Multifamily Residential Buildings](#) - 1 BD+C, ID+C, WELL
- [Transforming an Old Building into a Passive NZE House, Office & Community Classroom](#) - 1 BD+C, ID+C, O+M

FRIDAY, AUGUST 14

Session 6: 8am-9am

- [Hempcrete 201: Take It to the Next Level with a Natural, Carbon-Beneficial Material](#) - 1 BD+C, ID+C, WELL
- ['We Went LED' is Not Sufficient: The Place of Lighting in Our Low-Carbon Future](#) - 1 BD+C, ID+C, O+M, WELL

Session 7: 9:15am-10:45am

- [Testing Intuition: Re-evaluating Transformative Reuse Projects](#) - 1.5 BD+C, ID+C, WELL
- [To Electrify or Not to Electrify...?](#) - 1.5 BD+C, ID+C, WELL

Session 9: 1pm-2:30pm

- [Multifamily Central Ventilation: A Tale of Two Cities](#) - 1.5 BD+C, ID+C, O+M, WELL

Session 10: 3pm-4pm

- [Heat Pump Retrofits: Integrated Controls or Stand-Alone Solutions?](#) - 1 BD+C, ID+C, WELL

BuildingEnergy Boston is designed by and for practitioners in the fields of high-performance building and design, energy efficiency, and renewable energy. This year's event will be a **virtual conference & trade show**, Wednesday-Friday, August 12-14, 2020. **You must log in** for each session on the day of the event to receive credit.

After the conference, NESEA will report BD+C, ID+C, O+M credits toward your LEED credential directly to GBCI on your behalf. WELL APs will need to self-report WELL credits.
